

# DOSATRON®

WATER POWERED DOSING TECHNOLOGY

## 14 GPM: D14MZ5

### Product Specifications

**Call 800-523-8499 to order the Dosatron for your specific application**

|                              |                                                                                                        |
|------------------------------|--------------------------------------------------------------------------------------------------------|
| Dilution Range:              | 1:200 to 1:20 (.5% to 5%)                                                                              |
| Water Flow Range:            | 0.05 to 14 GPM                                                                                         |
| Operating Pressure Range:    | 4.3 to 85 PSI                                                                                          |
| Available Housing Materials: | <ul style="list-style-type: none"><li>• Polypropylene (Standard Blue)</li><li>• PVDF (White)</li></ul> |
| Other Options:               | Viscous                                                                                                |
| Dimensions:                  | 19 1/8" x 6 5/16"                                                                                      |
| Weight:                      | 6 lbs                                                                                                  |
| Connection Size:             | 3/4" NPT                                                                                               |
| Maximum Temperature:         | 104° F                                                                                                 |
| Included Accessories:        | 6' clear suction tube, strainer, weight, mounting bracket and operating manual                         |
| Recommended Accessories:     | IPK34, Bypass - part #: MPDI196                                                                        |

## Recommended Installation

### IPK34 - 14 GPM Industrial Plumbing Kit

3/4" polypropylene Banjo single union ball valve  
1/2" stainless steel ball valve  
3/4" poly 200 mesh tee filter  
3/4" brass pressure regulator w/gauge  
3/4" 14 GPM flow restrictor  
3/4" polypropylene check valve  
3/4" union schedule 80 PVC  
3/4" x 2" Banjo polypropylene fittings  
1/2" x 2" Banjo polypropylene fittings  
1/2" x 1/2" Banjo barb fitting  
3/4" male to 1/2" female Banjo reducer bushing  
3/4" Banjo T  
3/4" Banjo street elbows  
Roll of Teflon tape  
Instruction card  
Zip tie
